

# What is a Financial Review?

We simply ask for 10 minutes of your time to ask a few basic questions about your financial picture and how Premier Credit Union could, *Make Life Better* for you.

## Simple questions like:

- Where do you currently bank?
- What do you like/dislike about your current financial institution?
- Are you a homeowner and if so what is your mortgage rate?
- Do you know the benefits of being a Credit Union Member?
- How much money do you need to save each month?

Once we understand a little more about you, we can then review your entire financial picture and make recommendations that make the most sense. Whether it is finding you a lower interest rate or consolidating your bills into one lower monthly payment, we work hard to find the best solution for you, our member.

*So what are you waiting for, Let Your Dreams Blossom with Financial Solutions from Premier Credit Union, stop by one of our 4 convenient locations and speak with one of our team members today.*
