- Business Leadership Certificate, Drake University
- Retirement Plan Associate designation, International Foundation of Employee Benefits Plans/Wharton School of University of Pennsylvania
- As a longtime member of Premier Credit Union, I have benefitted from the great work done by the employees, management teams and board members. I am interested in the board position as a way to pay that forward, and feel my work experience and interest to serve can benefit the credit union and members.

Dan Kline

- Credit union member since 1998
- Nine year incumbent. Chair of the Asset/Liability Committee and member of the Credit Committee. Previously served on the board from 2002-2005.
- Fifteen years with Principal Financial Group
 - Currently Director of Risk Management in Principal International
 - Previously worked in the internal auditing department
- Four years with Wells Fargo Home Mortgage
 - VP, Credit Risk Management
- MBA, Drake University
- BSBA in Finance, Banking & Financial Markets, University of Nebraska – Omaha
- Chartered Financial Analyst (CFA)
- As evidenced by the length of time I've been a member of Premier Credit Union, I truly believe in the credit union philosophy of members helping members. As a current board member I've been able to witness first the benefits of Premier's not-for-profit business model and our ability to offer higher deposit rates and lower loan rates compared to traditional banks. I would like to remain on the board because I enjoy the opportunity to "give back" and also because the duties I perform as part of my position at Principal can be directly applied to helping Premier.
